Please return the survey by 10th June.

LOST PROPERTY
Now that winter has arrived please ensure your child is sent to school with a jumper. It would also be very helpful if you would ensure that all property is clearly named. If you are looking for any lost articles of clothing, the lost property tub is located in the area outside Mrs Goodwin’s office.

MOBILE PHONES
A reminder to parents that students must not bring mobile phones to school. If a student is required to have a phone at school it must be handed to the teacher or the school office and collected at the end of the day.

ITALIAN CULTURAL DAY at MSC

Yesterday we went to Italian Culture Day. We got pizza but because I don’t eat pizza I only ate one slice. After we ate some pizza we got a Gelati. Gelati is Italian ice cream. There was a play called Venice in Love. The characters in the play were Isabella, she was a girl but she was also a puppet. But she was very pretty. We got back at 2.30. When we got back we watched Bedknobs and Broomsticks.

Shepparton Swimming Club is holding a **Come and Try Session** on Tuesday 16th June at Aquamoves from 4pm to 5pm. This is a fantastic opportunity for anyone to come and see what’s involved in swimming training, have a try in the pool and find out all about Shepparton Swimming Club.

The club is growing and the junior squad in particular has seen a strong influx of new members in the last 12 months. Head Coach Willy O’Callaghan and Junior Coach Michelle Swift along with the rest of the coaching team help kids improve in the various swimming strokes, prepare for competition and support individual swimmers with their goals throughout the season.

There are many benefits of swimming as it promotes excellent fitness, discipline, commitment and self-confidence in a fun, safe and family-oriented environment, as well as the chance for swimmers and their families to make new friendships and social networks.

Membership is open to all ages, from primary school ages through to adults.

Shepparton club members get the chance to compete in a range of meets on a regular basis.

Club representatives and coaches will be on hand at the **Come and Try Session** to meet with interested swimmers and their families and answer any questions about the club.

New membership and expressions of interest can be taken year-round and interested parents should direct their initial inquiries to club registrar Jayne Guthrie on 0405 841 531.

For more information on Shepparton Swimming Club, go to [www.shepparton.swimming.org.au](http://www.shepparton.swimming.org.au)

**YEAR 4 NEWS**

**Solid State Circus**
Monday was a good day because the Solid State Circus came to school for the 3-6 grades. The coolest trick was when Tommy got picked up and got swung around, it was awesome. I also liked when he balanced a trampoline on his chin.

**Melbourne Excursion**
On Tuesday the Year 4’s went to Melbourne to experience the good music of the Melbourne Symphony Orchestra. Our favourite song was the Incredibles theme song. After the MSO we walked to Macca’s and we ordered our meals. Then we went upstairs to eat our delicious meals, it was yummy. After Macca’s we went on two trams the last stop was Docklands. It took 6 or 7 stops to get there our second last stop was at Etihad Stadium. It was because we all got to eat Macca’s for lunch.
