FROM THE PRINCIPAL’S DESK
What a busy and enjoyable week we have had with the Foundation Games Day, Father’s Day Stall, Father’s Day BBQ and ASHeletics. It was wonderful to see so many parents and grandparents come along on Friday and I would like to thank Brett Walker, Keith Rensford, Rod McElroy, Nicole Lammon, Reena Lammon, Brett Child and Lyn Denton for their help with the barbeque. The weather was perfect and lunch was enjoyed by everyone.

MESSAGE FROM DAN NICHOLSON, SCHOOL COUNCIL PRESIDENT
School Council would like to thank Steve Rogers and Karen Goodwin for their organisation of our review, including the self-evaluation and field days. During the field days the reviewers reported back about the impressive staff commitment and enthusiasm towards students, our school and our inclusive schooling ethos. They also noted our achievements in supporting the Mooroopna community and families as well as our outcomes during the previous four years. School Council thanks all involved in the review including students, parents, School Council members, former and current staff and families. School Council is looking forward to working with Steve, Karen and the broader community to develop our new strategic plan.

WATER BOTTLES
As the weather warms up it is important for student’s to keep hydrated. To avoid disruption to learning, the school encourages student’s to bring a water bottle to class rather than leaving the room to use the drink taps.

INTERSCHOOL ATHLETICS
Interschool Athletics will be held in the first week of term 4 for our Year 3-6 students. The events will be held at McEwen Reserve in Shepparton and will run from Tuesday October 6th to Friday October 9th. The following dates are specific for each year level:
- Tuesday 6th October - Year 6
- Wednesday 7th October - Year 5
- Thursday 8th October - Year 4
- Friday 9th October - Year 3
Under the circumstances of wet weather each year level will be pushed back a day and unfortunately that will result in the Year 3’s missing the day. Permission notes were sent home last night. Please ensure that your child’s permission note is returned no later than the last day of term 3.

FATHER’S DAY STALL
We are very appreciative of the parents who gave up their time to come along and help with the Father’s Day Stall. The students love to go shopping for their dad or special someone and without our parent helpers it would not be possible to run the stall. Thank you.

HATS
A reminder that next term will see the return of compulsory wearing of hats outside. The school’s Sun Smart Policy requires hats to be worn during terms 1 & 4. Please ensure your child has a clearly named, navy, wide brimmed hat ready for the first day of term. Students without a hat will need to stay in the undercover during lunch and recess.

WRITING COMPETITION
Congratulations to Ella Kuiper, Nicola Brown and Sera Bostancioglu who each received awards for participating in the Greater Shepparton Book Bag Story Writing Competition. Well done.

ASSEMBLY
Students in Foundation, Year 1 and Year 2 will be singing at assembly this Monday. Parents are most welcome to come along.

Wellbeing News from Ros

How lovely it was to see everyone at our school's Father's Day lunch! There was a wonderful sense of community as we shared yummy food and great company! Thank you staff, parents & friends for your friendly and generous service, ensuring everyone received a scrumptious lunch! Thank you to our parents who coordinated a fantastic Father’s Day stall for all students to find great presents for the special people in their lives! This was a huge effort to organise and is deeply appreciated.

Only a week until school holidays - I hope you have opportunity to plan some simple activities you can enjoy together as a family, as well as with friends! Spring has arrived, and exploring the great outdoors can be a perfect way to celebrate learning outside of the classroom. Kids, let me know what you are looking forward to doing in the September holidays.

See you around, Ros
