FROM THE PRINCIPAL’S DESK

PUPIL FREE DAY & PUBLIC HOLIDAY - 2ND & 3RD NOVEMBER

A reminder that students are not to attend school on Monday or Tuesday. On Monday staff will be involved in professional learning and Tuesday is a Public Holiday for Melbourne Cup. I hope everyone enjoys the extra long weekend.

TRADE DAY

I would like to thank the members of the Parents’ Club who put a lot of time and effort into organising the Trade Day on Sunday. Unfortunately the number of people that came through the door was well down on the number anticipated. Those that did attend, enjoyed a wide array of stalls and a beautiful afternoon tea. The proceeds from the day was $216.00.

DAY FOR DANIEL - TOMORROW

Tomorrow students and staff are encouraged to wear an article of red clothing in support of “Day for Daniel”. All students will be participating in classroom activities and Leading Senior Constable Glenn Gibson will speak to our Year 4-6 students about keeping safe. Please use this opportunity to start a conversation with your child about their personal safety in the real world and how to stay safe in an online environment. Please note that this is an awareness day, not a fundraiser.

2016 YEAR 3 & 4 STUDENTS - BYOD

Information regarding Bring Your Own Device (BYOD) iPad for 2016 Year 3 & 4 students was sent home to families yesterday. In order to better inform families of the BYO iPad arrangements, two information sessions have been arranged: Monday November 23rd at 9.15am (following assembly) Monday November 23rd at 5.30pm

Both sessions will be held in the Hub (room 4) and I would encourage parents to attend either of these sessions.

EARLY YEARS ART SHOW

It was wonderful to see so many of our students at the Mooroopna Early Years Alliance Art Show last Wednesday. The show showcased student’s work and also engaged the children that went along in with a range of learning activities run by school and kindergarten educators.

Congratulations to Marcus Turner who received 1st prize in the Goulburn Valley Water Lower Primary "Create a Critter" competition. He received his certificate at the GV Water open day (21/10/15). Well done Marcus.
