FROM THE PRINCIPAL’S DESK
Today is the last of term 1; how quickly this term has flown by! I would like to wish all families a happy Easter and hope you all enjoy the holiday break. Term 2 will commence on Monday April 11th and I look forward to seeing everyone back at school for another very busy term.

SPORTS AWARDS
Mooroopna Kiwanis have kindly donated four $50 Sportsman’s Warehouse vouchers for students from our school. Two vouchers will be awarded to students for the sporting achievements outside school and the other two vouchers will go to two students who can write about their sporting achievements at school. To be in the running letters need to be dropped into the office on the first day of Term 2.

Dear Parents/Carers

We are excited to introduce the Big Write and VCOP program to Mooroopna Primary School in Term 2. This program is designed to extend children’s writing capacity in a fun and engaging way.

Each Thursday students will participate in a Big Write, where they will apply the weekly writing focus.

To help children with their Big Write, teachers will send home a “Talk Slip” each Wednesday. This will list the topic and text type your child will be writing to. It will be helpful to discuss this and to suggest ideas and powerful (WOW) words to include.

If you would like to learn more about this program, please make a time to discuss this with your child’s teacher.
In a perfect world we would all like each other and get along,
We would all be friends and feel safe as if we feel like we belong.
But the world is not perfect and not everybody is treated with respect.
People can be nasty and horrible spurred on by other people, and without regret.
Its time we stood together out in front of the crowd,
Be one voice that echoes - absolutely no bullying allowed.
No more standing back and watching. It’s time to stand proud and tall.
Spread the message “If you can’t say anything nice, don’t say anything at all”.
Its ok to be different, none of us are the same.
We are who we are, no need to feel ashamed.
Imagine waking up each day feeling sick and afraid to go to school.
Yesterdays torments ringing in your ears, words so nasty so cruel.
Next time before you bully, stop and slip into just one shoe.
Trade spots and imagine the person you are bullying, is bullying you.
How would you cope and how would you feel getting pushed into fights,
Feeling alone and getting laughed at, people taking away your rights.
There will always be different people who are not your cup of tea,
But rather then be nasty, smile and walk away and just leave them be.
So lets join together, stand up as one and unite.
To make bullying one less war for us to have to fight.

NO BULLYING/ FRIENDSHIP CHAIN
On Friday, it was an Anti-Bullying Day.
We made a massive no bullying/ friendship chain.
We drew on coloured paper strips and wrote about positive things.

We talked about being nice, being friends and not bullying anyone at school. Now we will always remember to be nice to each other.
We felt glad we did this, because now we can see our chain in our classroom and remember to not bully others.

We are happy because it made our classroom look cool and we were able to make something for anti-bullying day and now we have an understanding about bullying and we will not bully others.
